Adoring day and night
to the Holy Sacrament

This brochure explains what we are and what

Adoration

Our Congregation was founded so as to give to the world a true testimony of faith in the Holy Eucharist. Our contemplative vocation is centred in adoration, praise and reparation to the Holy Sacrament of the Altar. In our churches we have it exposed day and night.

Our ideal is to imitate the life of Jesus in the Holy Sacrament, both interiorly and exteriorly. We offer ourselves in pure oblation of Love, very united to the Victim of the Altar for the greater glory of His Eternal Father (Constitutions).

Liturgy

We celebrate daily the Liturgy of the Hours, publicly and officially participating in

the prayer of worship of the Sacred Heart of Jesus to His Father.

Every sister has two hours of adoration before the Holy Sacrament; one during the day, and another during the night. During the night, we do reparation.

Being with Jesus! Is the only desire of every Servant of the Holy Sacrament of the Altar. In our adorations, we consider as ours, the interests of the Heart of Jesus as our own, and so we open our hearts to all the needs of the Church, as an expansion of love.

Our spirituality is also Marian, and so we try to live each day, with fullness, our consecration as servants of Our Immaculate Mother. This Spirit inspires us the true feelings of the virginal heart of Mary, who called herself the Handmaid of the Lord.

We dress in white: sign of the Sacred white Host which we adore and of Our Mother's Immaculate Conception.

Work

According to the Sacred Tradition of religious life, we pray and work, considering our work, not only as a natural law imposed by God, but also as an exercise of penitence and duty in our Institute (Constitutions). We make liturgical vestments and other things used in the church.

We usually have as an example the Holy Family of Nazareth, with pure intention and mortification.

Recreation

We have two hours of recreation during the day; both after meals. This time is lived in joyful and delighted fraternity, which is very necessary in a contemplative life of prayer and encounter with God.
